

Viscous Fan Clutch and Fan Replacement Products for Commercial Vehicles Worldwide

vMaster[®]
Viscous Fan Clutches

Over 800 replacement fan clutches and fans for European heavy-, medium- and light-duty truck, transporter and bus applications

Horton now offers a broader range of viscous fan clutches and fan replacement parts than any other supplier, available worldwide through local distributors for quick delivery.

These high-quality products are manufactured in Europe and backed by our one-year warranty. They are value-priced and engineered to original equipment manufacturer (OEM) performance requirements.

Now, you can buy viscous fan clutch and fan replacement parts for all makes of vehicles from Horton, the leading global provider of rugged, reliable, OEM engineered fan drive systems.

Don't settle for the compromised or unreliable performance you may have experienced with bargain replacements of OEM fan clutches and fan products.

Ask for Horton.

HORTON[®]

Airflow Solutions

Viscous Fan Clutch and Fan Replacement Products for Commercial Vehicles Worldwide

Viscous Fan Clutch Advantage

- Rapid response time
- Lower operating noise, improved fuel economy
